

**PORTFOLIO PROJECT 1:  
NATURAL FORMS**

**Develop** ideas from mind maps, investigate other artists and demonstrate critical understanding of creative sources.

**Refine** work by exploring, experimenting and selecting techniques and processes such as **drawing; painting; print making and mixed media.**

**Record** your ideas, observations and insights using annotation and sketches.

**Present** a series of responses to the work of other artists and one main personal response to the whole project (painted, drawn, printed or mixed media).

**PORTFOLIO PROJECT 2:  
ARCHITECTURE**

**Develop** ideas from mind maps, investigate other artists and demonstrate critical understanding of creative sources.

**Refine** work by exploring, experimenting and selecting techniques and processes such as **drawing; painting; mixed media; photography and 3D clay work**

**Record** your ideas, observations and insights using annotation and sketches.

**Present** a series of responses to the work of other artists and one main personal response to the whole project (clay sculpture).

**PORTFOLIO PROJECT 3:  
THE WORLD  
THROUGH ART**

**Develop** ideas from mind maps, investigate other artists (LONDON GALLERIES TRIP) and demonstrate critical understanding of creative sources.

**Refine** work by exploring, experimenting and selecting techniques and processes such as **drawing; painting; mixed media; photography**

**Record** your ideas, observations and insights using annotation and sketches.

**Present** a series of responses to the work of other artists and one main personal response to the whole project in media of your choice(5 hour mock exam)

**EXAM PREP+  
10 HOUR EXAM  
Component 2 period  
begins (January)**

The exam board (AQA) will provide 7 separate theme titles to choose from, you then develop, refine and record your work before presenting a final piece in the 10 hour exam. You may use media of your choice for this.
