Vice Principal: Mr Nathan Barratt

Dear Parents/Carers

Please may I clarify some aspects of school policy as follows:

Mobile Phone Policy

The school is a mobile phone free site. This means that mobile phones should not be seen, heard or used during the school day or anywhere on the school site. If a student has to bring a phone into school because of journeys to and from school, these should be switched off (not on silent) and kept securely in bags or lockers.

Please note, the school does not take any responsibility for loss, damage or theft of mobile phones brought onto the school site.

Uniform

Full details of the school's uniform policy are clearly posted on the school's website.

Please be aware that Heads of Year will be addressing any uniform issues over the coming half-term. This should allow students enough time to re-adjust to expectations where standards have slipped.

Please do not be offended if we feel the need to contact you for support with ensuring that your child meets with expectations.

I appreciate your support in ensuring that standards at Castle Donington College are as we all expect.

Yours sincerely

Paul Daly
Assistant Vice-Principal
