PE Lessons – Weeks beginning 18th and 25th November 2024

Dear Parents

Firstly, a huge thank you to all parents for your support in helping us to improve the standard of the PE kit. We have seen a fantastic start to standards in PE this term. With the cold winter months fast approaching we do advise that students purchase the new ¼ zip fleece lined top (see picture below and [link](#) to website).

We will be adapting the PE curriculum whilst our indoor PE spaces are being used as the exam hall for the forthcoming year 11 mock exams. During this time students will be completing Orienteering, and for the two weeks starting **Monday 18th November until Friday 29th November, pupils do not need to bring a full PE kit to school.**

We will be using the field for PE lessons and therefore a **pair of old trainers or football boots** is required. Students can also bring their warm PE ¼ zip top to wear over the top of their uniform. The field can be muddy, so a change of footwear and socks will be essential!

Many thanks for your continued support,

CDC PE Department
