Christmas Curry & Quiz Night Success

Our first meeting held in October 2024 saw a buzz of discussion and various ideas for improving school resources and creating new spaces to support students during their school day. With Christmas only a few months away, the first event was confirmed - A Christmas Quiz & Curry Night!

Huge thanks to local businesses who supported the event, providing raffle prizes and set up funds, we couldn't have done it without you! Thanks to:

2 Sisters Beauty; Anthony Scott Hair; Bistro Live; Climb Derby; Castle Donnington Coop; Costco; Curry Tonight; Ego's Barber's; Elodie Peters; Elenor Pontain; Gaysey Maisey; Jee Jar Jees; Johnson's; Nags Head Inn; Roller World; Strawberry House Int; The Castle Inn; Toby Mansfield; The Workhouse Gym; Tyler's Tea Rooms.

The night was a huge success, a real community effort with the food being supplied by local curry house, Curry Tonight and a generous donation of prizes from local businesses for our raffle. With just over 60 tickets sold, the night kicked off with refreshments and a meeting of parents, friends and teachers from the community to get the conversations flowing. Host for the evening, Mr Barratt lead the quiz in 5 rounds. Raising over £1200, we had fun putting together the sensory room and know that it will be a good resource for the school supporting students.
