### First Aid

Please update the college on any new medication that your child is taking. Please remember that if you are bringing any medication into college it needs to be in prescribed pack with the student's name and prescribed dose on.

We have a first aid email address where you can send any new or updated medical information for your child. This is helpful to enable us to help manage your child. [firstaid@cdcollege.uk](mailto:firstaid@cdcollege.uk)

Polite reminder: - We are happy for your child to carry a small amount of paracetamol or ibuprofen for their own use but please inform them not to give to other students.

### Satchel One Login Reminders

Pupils should log in to their Satchel One account via the "Office 365" function. Their username is their school email address and their password is the same one they use to access the school computers.

### Attendance

Thank you for your continued support with your child's regular attendance to school.

Regularly attending school has a positive impact on children and young people - academically, socially and emotionally. Evidence shows that the students with the highest attendance throughout their time in school gain the best examination results.
