Responsible Parking Reminder

We kindly ask for your cooperation in ensuring responsible and considerate parking when collecting or dropping off pupils at Castle Donington College.

We have received concerns from local residents, including families with accessibility needs, about blocked access on roads approaching the college. We understand parking can be challenging at busy times, but please be mindful of residents' driveways and access points.

First Aid

Please update the college on any new medication that your child is taking. Please remember that if you are bringing any medication into college it needs to be in prescribed pack with the student's name and prescribed dose on.

We have a first aid email address where you can send any new or updated medical information for your child. This is helpful to enable us to help manage your child. firstaid@cdcollege.uk

Polite reminder: - We are happy for your child to carry a small amount of paracetamol or ibuprofen for their own use but please inform them not to give to other students.

Uniform Standards

Thank you to all families for their continued support with uniform.

Clear guidance on what we do and do not allow students to wear can be found [here](#)

Please contact your child's Head of Year should you require further support.

Attendance

Thank you for your continued support with your child's regular attendance to school.

Regularly attending school has a positive impact on children and young people - academically, socially and emotionally. Evidence shows that the students with the highest attendance throughout their time in school gain the best examination results.
