Dear Parents/Carers

Welcome to Castle Donington College

We are very much looking forward to your child joining us for the new 2026/27 academic year and will soon be visiting each of our feeder primary schools to gain a better understanding of our upcoming Year 7 cohort and establish positive working relationships prior to enrolment.

Transitioning from primary to secondary school is a big change in your child's life, however we firmly believe that all our students will be successful if they consistently embrace the Donington Way; **Work Hard. Take Responsibility. Be Kind.**

Our transition team consists of Mr Daly, Assistant Principal, Mrs Fidler, Assistant Principal and SENCO and Mr Nelson, Associate Assistant Principal and Head of Year 7.

Listed below are the essential transition dates:

Transition Parents' Evening - Monday 29th June, 5.30pm – 7.00pm.

Transition Days - Thursday 2nd and Friday 3rd July.

Further information will follow in due course. However, in the meantime we would ask that your child to look at the [Teen Health Transition Workbook](#), to help best prepare them for this process.

For all further enquiries, please contact transition@cdcollege.uk

Yours sincerely

Vickie Beeby

Principal
