

## WEEKLY PARENT BULLETIN

1st May 2026

Dear Parents and Carers

Welcome to our weekly bulletin, providing you with a range of general information and forthcoming events at the college.

We have changed the formatting of the bulletin slightly, so that key information for next week appears first, followed by year group specific information and then general notices.

### Key Information for next week

#### **May Bank Holiday**

Please remember that school will be closed for the Bank Holiday on **Monday 4<sup>th</sup> May**.

#### **Change to the school day during the exam season**

From **Tuesday 5<sup>th</sup> May until Friday 25<sup>th</sup> June**, the school day will run as follows:

### **PE lessons during the exam season**

During the period from **Tuesday 5<sup>th</sup> May to Friday 25<sup>th</sup> June** some of our indoor PE spaces will be utilised as examination halls. **Consequently, we request that pupils in years 7 – 10 attend school in their CDC PE kit on their designated Core PE days, but only on days when they have practical PE.**

During this period of time, pupils will remain in their PE kit throughout the entire school day. For these PE sessions, pupils should ensure they have appropriate footwear.

### **Parents' Evenings & Communication Survey**

At Castle Donington College, we are continually reviewing how we work with parents to support pupils' learning and wellbeing. Over the past two academic years, we have made changes to how we communicate with families, including the introduction of a weekly Parent Bulletin and a termly Newsletter.

We have also continued with a mix of online and in-person Parents' Evenings.

We would value your views on these approaches so that we can plan future Parents' Evenings and information events in a way that works best for our school community.

This survey should take no more than **5 minutes** to complete. Responses are anonymous and will be used to identify overall themes. **Deadline for responses is Friday 8<sup>th</sup> May 2026**

### **Mobile Phone Use**

We would like to draw your attention to this section of our Behaviour Policy and ask you remind your children of the rules regarding mobile phone use in school: Allowing access to mobiles in school introduces complexity and risks, including distraction, disruption, bullying and abuse, and can be a detriment to learning. Pupils are **not allowed to use mobile phones/ devices/ air pods during the school-day (8:45am – 3:15pm)**. If a member of staff sees a pupil using a mobile device or wearing air pods, the item will be confiscated, and the pupil will be able to collect the item at the end of the school day. If a pupil breaches this school rule on multiple occasions, this may result in the pupil being asked to hand over the device (for safe keeping) at the start of each day.

You may also have seen more information in the press this week around the use of mobile phones in schools. You can read the DfE guidance on the use of mobile phones in schools here: [Mobile phones in schools - GOV.UK](#)

You may also have seen in the press this week that the government plans to change the law regarding the use of mobile phones in schools in the future. [Phones to be banned in schools by law in England under government plans - BBC News](#) We will keep you updated when we have further information.

### **Growing up in the online world: a national consultation**

The government are consulting on further measures to prepare children for the future in an age of rapid technological change. This includes potential age restrictions on social media and other services such as gaming sites and AI chatbots, restrictions on addictive design features and risky functionalities, and better support for parents and families. This consultation closes at **11:59pm on 26 May 2026**

You can have your say [here](#).

# Melbourne Rugby Club

## **Melbourne Rugby Club's T1 Rugby Club (Touch Rugby) club starts on Monday 4th May (6pm to 7pm).**

This is an exciting opportunity for students from Year 7 and Year 8 at your school to join this free club, which will run throughout the Summer and into September.

From our flyer you will see that T1 Rugby does not involve tackling and incorporates key skills related to rugby union, where space is created through scrums, lineouts and rucks and children can learn how to use tactical kicking.

Our emphasis will be on facilitating games that both new and existing players can enjoy. New players will be supported by the coaches and those children who already play rugby at the club.

Players who enjoy the T1 Rugby Club and want to continue to develop their interest in rugby will of course be welcome to join Melbourne Rugby Club ready for the new season in September, when they can take the step into contact rugby with the help of our RFU qualified coaches in each age group.

There will be no obligation for children to move onto contact rugby from T1 Rugby and if there are enough interested children, we will continue to run the T1 Rugby club throughout the rugby season.
