Vice Principal: Mr Nathan Barratt

Extreme weather arrangements: Update

Dear Parent / Carer,

Following a further review of the weather forecast, which continues to predict extremely high temperatures on **Friday 26th June**, we have decided to extend the temporary arrangements already in place this week and will again operate an **early finish at 1:30pm** on Friday to help safeguard the wellbeing of pupils and staff.

The arrangements outlined in our previous letter will therefore also apply on Friday 26th June, including the amended school day and early dismissal.

All school buses will collect pupils at 1:30pm on Friday

A reminder that on Thursday 25th June, pupils travelling on the S867 bus (operated by Viking), will be collected at the earlier time of 1:00pm.

We recognise that some families may still be unable to make arrangements for their child to leave school at the earlier time. Supervised provision will therefore continue to be available until the normal end of the school day at 3:15pm. If you require this, please complete this [form](#) by 3:15pm on Thursday.

For Year 10 pupils, the **morning examination on Friday will go ahead as scheduled**. However, the **afternoon examinations will not take place on Friday afternoon**. Teachers of affected subjects will talk to pupils about how end of year assessment will apply in the place of a formal mock exam.

We are pleased to note that the forecast indicates cooler conditions from the weekend onwards. As a result, we currently expect to return to our **usual school day arrangements from next week**. Should there be any significant change to the forecast, we will communicate with families as soon as possible, but at present we anticipate normal timings and routines resuming from **Monday 29th June**.

Thank you once again for your understanding and support as we continue to respond to these exceptional weather conditions.

Yours sincerely

Vickie Beeby
