

CASTLE DONINGTON COLLEGE

WEEKLY PARENT BULLETIN

Working Together, Achieving Together

25th September 2026

Dear Parents and Carers

Welcome to our weekly bulletin, providing you with a range of general information and forthcoming events at the college.

The Bulletin is divided into three sections:

Key Information for Next Week – information relevant to all pupils or pupils in multiple year groups.

Year Group Specific Information – updates and reminders relevant to particular year groups.

General Information – this section contains a mixture of regular information that we include each week and new notices or updates. Although some items may already be familiar, please take a few moments to read through this section each week, as new and important information may be included alongside recurring reminders.

KEY INFORMATION FOR NEXT WEEK

Open Evening Success

A huge thank you to all of the student ambassadors who supported our Open Evening this week. Our pupils were exceptional ambassadors for Castle Donington College, welcoming visitors, answering questions and sharing their experiences with confidence, enthusiasm and pride. They were a real credit to themselves, their families and the College.

We would also like to thank all prospective families who took the time to visit us. It was wonderful to see so many families exploring our school, meeting staff and pupils, and learning more about life at Castle Donington College.

The atmosphere throughout the evening was incredibly warm and welcoming, and we hope our visitors were able to see what makes our College such a special place to learn, belong and thrive. We look forward to welcoming many of you again in the future.

YEAR GROUP SPECIFIC INFORMATION

Year 7	<u>Pastoral Support</u> Please contact your child's Form Tutor and Head of Year (Mr Nelson) for any further support required in school. We would also like to hear of any success stories outside of school, so we can help to celebrate these achievements with our students. <u>Year 7 Football Team Finish Tournament Unbeaten</u> Our Year 7 football team produced a fantastic set of performances at their recent school tournament, finishing the competition unbeaten after winning two matches and drawing two. The boys began against Loughborough Grammar School and dominated much of the game, playing some excellent possession football. Despite creating opportunities, we could not find the winning goal and the match finished 0–0. In our second fixture, we faced Charnwood and secured a deserved 1–0 victory. Max L scored the decisive goal to give us our first win of the tournament. Our third match was against a very strong Rawlins side featuring four academy players. Every member of the team showed tremendous determination, organisation and resilience as we battled to another 0–0 draw. This was arguably our best performance of the tournament. We finished with an exciting 2–1 victory over De Lisle School, with goals from Max L and Joseph S completing an excellent afternoon. The boys should be incredibly proud of their performances. To remain unbeaten and concede just one goal across four matches is an outstanding achievement. Every player contributed to the team's success and represented the school superbly throughout the tournament. Results: ● Loughborough Grammar School — Drew 0–0
--------	---

	● Charnwood — Won 1–0 (Max L) ● Rawlins — Drew 0–0 ● De Lisle School — Won 2–1 (Max L and Joseph S)
Year 8	<u>Pastoral Support</u> Please contact your child's Form Tutor and Head of Year (Mr Canavan) for any further support required in school. We would also like to hear of any success stories outside of school, so we can help to celebrate these achievements with our students.
Year 9	<u>Pastoral Support</u> Please contact your child's Form Tutor and Head of Year (Mr Brown) for any further support required in school. We would also like to hear of any success stories outside of school, so we can help to celebrate these achievements with our students.
Year 10	<u>Pastoral Support</u> Please contact your child's Form Tutor and Head of Year (Mrs Danes) for any further support required in school. We would also like to hear of any success stories outside of school, so we can help to celebrate these achievements with our students. Textiles/Graphics/Art GCSE students and families, are invited to join us for the Design Showcase on 8th October, 6-7pm. We will be exhibiting our GCSE leavers work, which can provide inspiration, and aspiration for our current GCSE cohorts! Textiles and Art coursework catch-up sessions. If your child takes Textiles or Art GCSE, they have access to extra time in the Textiles and Art room on Wednesdays after school (3:15-4:15pm), and every lunch time. French exam skills sessions All pupils studying French are invited to these sessions every Tuesday lunch in L3. We will focus on a different skill each week. Pupils have been given a list of all the sessions for the academic year ahead. A copy is also attached in this bulletin. Spanish exam skills sessions All pupils studying Spanish are invited to these sessions every Wednesday or Thursday lunchtime in L1. We will focus on a different skill each week. A list of the revision sessions will be outside L1 for further info.

	GCSE PE All students that ordered kit over the summer should now have their GCSE PE kit to be worn in all practical PE lessons. If anymore kit needs ordering here is the link Castle Donington College - GCSE Students have also been given their online Ever-Learner login details, this is where we set all GCSE PE weekly homework. Here is a link to a video explaining how to access and use this online platform Using The EverLearner: A guide for parents and guardians Here is a student video on how to best use the platform A student guide on how to use The EverLearner (PE&Sport with ExamSimulator)
Year 11	Pastoral Support Please contact your child's Form Tutor and Head of Year (Mr Purkiss) for any further support required in school. We would also like to hear of any success stories outside of school, so we can help to celebrate these achievements with our students. Textiles/Graphics/Art GCSE students and families, are invited to join us for the Design Showcase on 8th October, 6-7pm. We will be exhibiting our GCSE leavers work, which can provide inspiration, and aspiration for our current GCSE cohorts! Textiles and Art coursework catch-up sessions. If your child takes Textiles or Art GCSE, they have access to extra time in the Textiles and Art room on Wednesdays after school (3:15-4:15pm), and every lunch time. French exam skills sessions All pupils studying French are invited to these sessions every Tuesday lunch in L3. We will focus on a different skill each week. Pupils have been given a list of all the sessions for the academic year ahead. A copy is also attached in this bulletin.

Spanish exam skills sessions

All pupils studying Spanish are invited to these sessions every Wednesday or Thursday lunchtime in L1. We will focus on a different skill each week. A list of the revision sessions will be outside L1 for further info.

GCSE PE

NEA – The final NEA deadline is Tuesday 5th January, this will be a final deadline for all 6 sections to be completed and submitted to Mr Woolf via email.

As in Y10 all GCSE PE homework is set through our online learning platform – The Ever-Learner. This is set weekly and ALL students have this set every week. They can also work through all of the topics as they wish.

Here is a link to the parent video on how the platform works

[UsingThe EverLearner: A guide for parents and guardians - YouTube](#)

Here is a student guide on how to get the best from the platform

[A student guide on how to use The EverLearner \(PE&Sport with ExamSimulator\)](#)

Students have been given their 1st GCSE practice past paper to work through and self-mark to submit to their teacher. This is for Paper 1 and paper 2.

Tuesday 25 th May	Translation into French practice	F + H

GENERAL INFORMATION

Communication with the College

If you need to contact the college, you can telephone on
01332 810528

To ensure efficient use of staff time and appropriate handling, all email communication should be sent to **postroom@cdcollege.uk**

Emails sent to the postroom address will be triaged and escalated using the following criteria. Please include the nature of your enquiry in the subject line of the email.

Area	First Contact	Escalation
General enquiries	Admin team	Relevant teacher, middle or senior leader
Safeguarding (pupil)	DSL	
Safeguarding (staff)	Principal (for a safeguarding concern regarding the Principal contact the Chair of Governors)	
Behaviour	Form teacher	Head of Year or senior leader
Attendance	Attendance Officer	Head of Year or Vice Principal
Curriculum	Subject teacher	Head of Department, then SLT
SEND	Assistant SENDCo	SENDCo
Complaints	As per complaints policy	Chair of Governors

You can contact us directly regarding absences: **attendance@cdcollege.uk**

Please include full details and attach/screenshot appointment cards for our records.

Please note on the third day of absence, the Attendance Officer will conduct a home visit.

For all communication with the SEND department, please direct emails to our central SEND inbox **send@cdcollege.uk**

Please familiarise yourself with our College and EMET policies and procedures, which can be viewed [here](#) on our website and are updated throughout the school year.

New School Facebook Page

We have recently launched our new school Facebook page, which you can find [here](#) and will be used to share important school updates, reminders, key dates, and information with our school community.

Please note that the Facebook page is intended as a one-way communication channel for school announcements. We do not monitor the page for enquiries, and any comments or messages sent via Facebook will not receive a response. If you need to contact the school, please do so using our usual communication channels

Mobile Phone use

We would like to remind parents and carers of our expectations regarding mobile phone use in school, in line with current guidance and legislation aimed at reducing distractions and supporting pupils' wellbeing and learning.

Pupils are not permitted to use mobile phones at any time during the school day, including breaktimes and lunchtimes. If a pupil brings a mobile phone to school, it must remain switched off and out of sight throughout the day.

Any mobile phone that is seen or used during the school day will be confiscated by a member of staff and will be returned to the pupil at the end of the school day. If pupils are seen with their phone on more than one occasion, then they may be asked to hand this in at the beginning of every day for a period of time.

We recognise that some pupils may need access to a mobile phone or connected device for medical reasons. Medical exceptions, such as for pupils managing diabetes or other documented medical conditions, will continue to be supported on an individual basis.

We appreciate the support of parents and carers in helping us maintain a focused, safe and positive learning environment for all pupils.

First Aid

Please update the college on any new medication that your child is taking. Please remember that if you are bringing any medication into college it needs to be in prescribed pack with the student's name and prescribed dose on.

We have a first aid email address where you can send any new or updated medical information for your child. firstaid@cdcollege.uk

We are happy for your child to carry a small amount of paracetamol or ibuprofen for their own use but please inform them not to give to other students.

The NHS Immunisation Team will be administering flu vaccinations on **Thursday 8th October**. They will be emailing you a link to complete the consent form.

Wellbeing support

All pupils have access to youHQ Wellbeing app for schools and colleges youHQ.co.uk they can log in using their @cdcollege.uk email address through the Microsoft 365 log in

You can find out more about youHQ on this youtube video

<https://youtu.be/QyKDZlHmAkl>

Attendance

Thank you for your continued support with your child's regular attendance to school.

Regularly attending school has a positive impact on children and young people - academically, socially and emotionally. Evidence shows that the students with the highest attendance throughout their time in school gain the best examination results.

Percentage Attendance	Number of Days Absence	Learning Missed in 1 Year	Learning Missed over 5 Years
100%	0 Days	0 Lessons	0 Lessons
97%	6 Days	30 Lessons	150 Lessons
95%	9.5 Days	48 Lessons	240 Lessons
93%	13 Days	65 Lessons	325 Lessons
90%	19 Days	95 Lessons	475 Lessons

Careers Education at CDC

Labour Market Information (LMI)

Labour Market Information (LMI) helps young people understand the changing world of work. It provides information about careers, employment trends, skills, qualifications, apprenticeships, salaries and opportunities.

LMI can help young people make **informed decisions** about their GCSE options, post-16 choices, apprenticeships, university and future careers.

Useful LMI and Careers Websites

National Careers Service – Explore Careers

Explore hundreds of careers and find information about what different jobs involve, the skills and qualifications needed, salaries and progression routes.

[Explore Careers – National Careers Service](#)

National Careers Service – Advice for Parents & Carers

Practical advice to help parents and carers support young people with education, training and career decisions.

[Help a young person make career choices](#)

National Careers Service – Post-16 Options

Information about the different routes available after Year 11, including further education, technical and vocational courses and apprenticeships.

[Explore Post-16 Options](#)

National Careers Service – Post-18 Options

Explore options including university, higher technical qualifications, apprenticeships, employment, volunteering and gap years.

[Explore Post-18 Options](#)

The Careers & Enterprise Company – Gatsby Benchmarks

Find out more about the Gatsby Benchmarks and how good careers education helps young people understand future pathways and labour market opportunities. Benchmark 2 specifically focuses on learning from career and labour market information.

[Gatsby Benchmarks and Careers Guidance](#)

How can parents and carers help?

You don't need to have all the answers. Explore careers with your child and encourage them to ask:

- What does this job involve?
- What skills and qualifications are needed?
- What different routes could lead to this career?
- What are the future opportunities?

- Are there apprenticeship or work-based routes?
- What other careers use similar skills?

Remember: LMI is not about telling a young person what career to choose. It gives them reliable information so they can explore possibilities and make informed decisions about their future.

At Castle Donington College, we encourage students and parents/carers to use reliable, up-to-date careers and labour market information alongside discussions with teachers, tutors, employers and qualified careers advisers.

Clubs

Breakfast Club

Breakfast Club runs every day in the library from 8am. You can come in and chat with your friends, read any of our lovely books, or bring your own, have a game of chess, or just sit quietly before the day begins. We do not provide food, but you are welcome to bring your own.

Puzzle/Lego Club

Do you enjoy doing jigsaws? We always have a really big one that we all like to help complete but there are also smaller ones that can be done in one lunch hour. We have word searches, crosswords and access to puzzles online too. This term we've also introduced Lego builds, so come and join in or bring your own. Come along and make some new friends. Puzzle club happens on Tuesdays at lunch.

Appeal: We would love some new puzzles for our puzzle box so if you have any old ones stashed in a toy cupboard or loft, we would love to take them off your hands.

Chess Club

Come and take on our grand master Edward. If you don't win you will at least pick up some moves that you can use. It's great for quiet time in the library or meeting new friends. Every Wednesday lunch.

Quiet Reading/Study Time

New for this term. Quiet reading and study time is proving popular on Thursday lunch times in the library. You need to register with Miss Radley for this one as we only have a limited number of spaces.

History Club (Mondays in H3)

In History Club we do a variety of things related to the joys of History! Currently, we are planning activities for the Year 6 Open Evening and would appreciate any ideas or help!

Debate Club (Fridays in H3)

Debate Club allows you to debate the issues of the day in the style of the House of Commons. It helps you develop your skills of arguing and builds confidence, as well as helping you with some extra knowledge for your PPE/Citizenship lessons!

MFL film club

Every Thursday lunchtime in L3 to watch a film in a foreign language with English subtitles.

PE Extra Curricular clubs

PE extra-curricular clubs are now underway. All lunchtime clubs will be done in the school GYM (unless stated otherwise), for these clubs' students only need to change their footwear (unless taking part in our competitive sports we run throughout the such as football games and interform competitions).

Full details can be seen at the end of the Bulletin.

After school sessions require students to change for the activity, these will start at 3.20 (students come to the changing rooms straight after school) and the session will finish at 4pm. It is the student's responsibility to communicate with parents if they are attending a PE club and arrange an appropriate way of getting home.

Fixtures – if students are selected to represent the school at a competitive fixture against other schools they will be notified with at least a weeks' notice and details will be given via a letter to take home to parents.

Gym Club (Tuesday After school)

Whether it's working on your cardiovascular fitness or you're wanting to build muscle, this will happen in the new fitness suite. Machines and weights available to use with also a start-up initiation on how to use the equipment safely. Come along and bring your friends!

Warhammer Club

Wednesday after school in the hub for all years, welcome to veterans and new players alike. Space and advice for building, painting and playing the game with regular competitions. For more information about the club speak to Mr Bell, for more information about the happy check the following [Leader Resources – Games Workshop | Warhammer Alliance](#).

Careers

Calling Local Businesses – Help Shape Our Students' Futures

We are keen to strengthen our links with local businesses and employers so that our students can gain a better understanding of the world of work and the exciting opportunities available to them.

As part of our Careers Programme, we are looking to build meaningful partnerships with local employers who can support our students through careers talks, workplace visits, work experience, mentoring, skills sessions and information about Post-16 pathways.

Working with employers is an important part of our careers provision and supports the Gatsby Benchmarks, helping students connect what they learn in school with real careers and future opportunities. It can also help students develop their aspirations, understand the skills employers value and make more informed decisions about their next steps after Year 11.

Do you own or work for a local business that would be interested in supporting our students? Or do you know a local employer who might be keen to get involved?

We would love to hear from you. Please complete our short Google Form to register your interest. There is no obligation to commit to anything at this stage — we are simply looking to build a network of local employers who may be able to support our students in the future.

Together, we can help our students understand the opportunities available to them and prepare for their next steps beyond school.
