Online Safety - Advice for Parents and Carers

UK Safer Internet Centre
This website is really useful and contains good advice to keep children and young people safer: **https://www.saferinternet.org.uk/**
This webpage provides advice about smartphones, gaming devices, tablets and other internet-connected devices: **https://www.saferinternet.org.uk/advice-centre/parents-and-carers/parents-guide-technology**
The UK Safer Internet Centre has developed two resources that provide advice and guidance to help young people consider the consequences of posting sexting images online and what they can do if they find themselves in a position where they have lost control of their images: **https://www.saferinternet.org.uk/advice-centre/teachers-and-professionals/teaching-resources/sexting-resources**
Better Internet 4 Kids
This is an EU website set up to give guidance to parents, carers and teachers: **https://www.betterinternetforkids.eu/**

Childnet.com
This website provides information you can use to keep your child safer online: **http://www.childnet.com/parents-and-carers**

To see the **Leicestershire and Rutland Safeguarding Children Partnership** webpage aimed at children and young people that provides top tips for staying safe online click **here**.
