## NGA code of conduct

Once this code has been adopted by the Board of Trustees, all trustees agree to faithfully abide by it.

We agree to abide by the Seven Nolan Principles of Public Life:

### **Selflessness**

**We will act solely in terms of the public interest.**

### **Integrity**

**We will avoid placing ourselves under any obligation to people or organisations that might try inappropriately to influence us in our work. We will not act or take decisions in order to gain financial or other material benefits for ourselves, our family, or our friends. We will declare and resolve any interests and relationships.**

### **Objectivity**

**We will act and take decisions impartially, fairly and on merit, using the best evidence and without discrimination or bias.**

### **Accountability**

**We are accountable to the public for our decisions and actions and will submit ourselves to the scrutiny necessary to ensure this.**

### **Openness**

**We will act and take decisions in an open and transparent manner. Information will not be withheld from the public unless there are clear and lawful reasons for so doing.**

### **Honesty**

**We will be truthful.**

### **Leadership**

**We will exhibit these principles in our own behaviour. We will actively promote and robustly support the principles and be willing to challenge poor behaviour wherever it occurs.**

We will focus on our core governance functions:

1. ensuring there is clarity of vision, ethos and strategic direction
2. holding executive leaders to account for the educational performance of the organisation and its pupils and the performance management of staff
3. overseeing the financial performance of the organisation and making sure its money is well spent  
*NGA recognises the following as the fourth core function of governance:*
4. ensuring the voices of stakeholders are heard

As individual board trustees, we agree to:

Fulfil our role & responsibilities

1. We accept that our role is strategic and so will focus on our core functions rather than involve ourselves in day-to-day management.

7. We will consider how our decisions may affect the College and local community.
8. We will stand by the decisions that we make as a collective.
9. Where decisions and actions conflict with the Seven Principles of Public Life or may place pupils at risk, we will speak up and bring this to the attention of the relevant authorities.
10. We will only speak or act on behalf of the board if we have the authority to do so.
11. We will fulfil our responsibilities as a good employer, acting fairly and without prejudice.
12. When making or responding to complaints we will follow the established procedures.
13. We will strive to uphold the College's reputation in our private communications (including on social media).
