1 Introduction

- 1.1 This policy applies to all schools within the East Midlands Education Trust and, along with all other public authorities, we must all comply with the Freedom of Information Act (November 2000). The Act obliges organisations to publish certain information about their activities and to make any other information available upon request, with some statutory exceptions, in order to increase openness and transparency.
- 1.2 As required, all our schools are registered with the Information Commissioner's Office (ICO).
- 1.2 In line with Section 19 of the Freedom of Information Act, EMET has produced a publication scheme which makes it clear to the public what information the trust and/or its school will make public when required to respond to requests for information under this legislation. EMET use the ICO model template for the Publication Scheme.
- 1.3 The publication scheme sets out:
 - The classes of information which will be published or which the trust/school intends to publish either on their website or in hard copy version
 - The manner in which the information will be published
 - Whether the information is available to download from the website free or a cost will be incurred.

2 Scope

- 2.1 This Publication Scheme makes clear to the public what information we publish when a request for information is received and/or information that is available via the organisation's website or prospectus.
- 2.2 The **Freedom of Information Policy** is intended to cover all records created in the course of the business of EMET. This includes email messages and other electronic records and applies to all trust employees including temporary, casual or agency staff and contractors, consultants and suppliers working for or on behalf of EMET.
- 2.3 The Freedom of Information Act requires every public authority to have a **FOI Publication Scheme**, which is approved by the ICO, and to publish information covered by the scheme. The scheme sets out our commitment to make certain classes of information routinely available, such as policies and procedures, minutes of meetings, annual reports and financial information.
- 2.4 Under this scheme, we regularly review the information published on our websites. We also aim to make new information available promptly – this will be done via schools' *newsletters and websites*.

- 2.5 As an organisation, we agree to update old information. This is carried out regularly as a matter of course, often through national channels such as the Ofsted website or the DfE academy performance tables.
- 2.6 Information about each school is available through the government's official register of educational establishments in England and Wales - Get Information About Schools (GIAS). GIAS is also the national database of academy trustees/governors <https://get-information-academys.service.gov.uk/>

3 Requesting information

- 3.1 The Freedom of Information Act 2000 provides public access to information held by public authorities. It does this in two ways:
 - 3.1.1 Public authorities are obliged to publish certain information about their activities; and
 - 3.1.2 Members of the public are entitled to require information from public authorities.
- 3.2 Under the second provision of the Act, the right to request information, anyone may make a request in writing for recorded information held by EMET or its schools. A request for information not already published must be made in writing to:

<u>Name</u>	East Midlands Education Trust
<u>Email Address</u>	adminoffice@emet.uk.com
<u>Postal Address</u>	c/o West Bridgford School, Loughborough Road, West Bridgford, Nottingham NG2 7FA

- 3.3 Requests for information will be met within 20 working days of receipt. Requests for information that require EMET to complete a public interest test will be met within 40 working days of receipt.
- 3.4 **Subject Access Requests** – please refer to our Data Protection Policy.

4 Exemptions

- 4.1 The FOI Act contains a number of exemptions whereby information can be withheld. EMET or its schools may choose to withhold information if it falls within the scope of one or more of these exemptions. Where a request is made for information that includes exemptions, the Trust or the school will apply a public interest test before deciding whether to disclose the information.
- 4.2 Where the information is withheld under an exemption, EMET or the school in question will, in most cases, inform the requestor as to why the information is being withheld, citing the exception e.g. Section 43(2) of the FOIA provides an exemption from disclosing commercially

sensitive information, where disclosure would, or would be likely to, prejudice the commercial interests of any person, i.e. disclosure would likely harm the commercial interests of the Trust, a third party, or both.

4.3 We will endeavour to make information available unless:

- We do not hold the information;
- the information is exempt under one of the FOIA exemptions or Environmental Information Regulations 2004 (ER) exceptions, or its release is prohibited under another statute;
- the information is readily and publicly available from an external website; such information may be provided by the school or from a direct link to the Trust website.
- The information can be viewed upon request.
- the information is archived, out of date or otherwise inaccessible; or
- it would be impractical or resource-intensive to prepare the material for routine release – further details can be found in Section 8.2

5 Vexatious requests

5.1 The FOI Act allows us to refuse any requests that have the potential to cause a disproportionate or unjustified level of disruption, irritation or distress. Decisions on whether a request is vexatious will be taken by the Chief Executive Officer, with the assistance of legal advice where necessary.

6 Record keeping

6.1 All FOI requests will be logged and tracked. This will aid identification of repeat, similar or vexatious requests.

7 Complaints

7.1 Applicants dissatisfied with either the Trust or School response including appeals against decisions to withhold information, may complain through the Trust's Complaints Procedure.

7.2 If, after exhausting our Complaints Procedure, you are still dissatisfied with the outcome, you may refer the matter to the Information Commissioner:

Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire SK9 5AF

8 Information charges

8.1 Where information is readily available via the trust or EMET website, we would encourage enquirers locate and access the information electronically, where possible. Where information is not available on the website, either because it is not in electronic format or is too unwieldy to be transferred in such a format, we will make it available to be viewed at a school or trust HQ. In the first instance, you should contact trust office to arrange a viewing.

8.2 A schedule of charges for photocopied information can be found below:

A4 black and white, single-sided	10p per sheet
A4 black and white, double-sided	20p per sheet
A3 black and white, single-sided	20p per sheet

A3 colour, single-sided	£1.50 per sheet
A3 colour, double-sided	£3.00 per sheet

Cost limits (Section 12 FOIA)

- 8.3 The Trust may refuse to comply with a request (or may alternatively charge the requestor for complying with the request) where compliance would exceed a statutory ceiling threshold (known as the appropriate limit) (section 12 FOIA). The appropriate limit is currently set at £450 for most public authorities, including academy trusts. This means that if it would cost the Trust more than £450 to comply with the FOIA requests, we can refuse to comply with the requests or charge the requestor. Please note, the Trust would still confirm or deny if it held the information requested unless the cost of complying with that obligation would, by itself, exceed the appropriate limit.
- 8.4 In estimating the cost for compliance, the Trust may take account of time taken by staff, at a flat rate of £25 per hour. This would mean a total limit of 18 staff hours working to comply with the request. Within this, the Trust would only consider the time and money it would take to **determine** whether the information is held, **locating**, **retrieving** the information or a document which may contain the information, **extracting** the information from a document containing it and **communicating** the information to the requester (including postage costs), and costs for physically redacting exempt information. Time spent considering whether exemptions apply or seeking legal advice will not be included in the estimate of costs.
- 8.5 Before the Trust or any of its schools refuse a request on the basis that it would exceed the appropriate limit, the Trust/School would have regard to its statutory duty to advise and assist requestors under the FOIA. This includes attempting to assist a requestor reframe their request so as to bring it below the appropriate limit.
