ACCESS TO SCRIPTS
SUMMER 2022**

Priority Access to Scripts

This service is used to obtain a photocopy or scanned copy of your marked exam paper to help you decide whether to request a Review of Marking. You will need to pay for this service yourself.

Priority copies are not available for some externally assessed units – please check with the exams office.

Non-Priority Access to Scripts

Teachers may want to request access to copies/originals of your marked papers to use for teaching and learning purposes. To grant access to your script, you must sign this consent form.
