

**CANDIDATE CONSENT FOR GCSE EXAMINATIONS
REVIEW OF RESULTS
SUMMER 2022**

The relevant department has reviewed your script(s) and, where relevant, you will be receive an email giving details of the paper you could submit for a review of marking. If they do not recommend a Review of Marking, you may still request one yourself. The relevant fees will need to paid for by yourself. If a review results in a grade becoming higher, a full refund will be issued.

If Castle Donington College submits a request for a clerical re-check or a review of the original marking for one or more of your examinations, after your subject grade has been issued, there are **three possible outcomes**:

1. Your original mark is lowered, so your final grade may be lower than the original grade you received.
2. Your original mark is confirmed as correct, so there is no change to your grade.
3. Your original mark is raised, so your final grade may be higher than the original grade you received.

To enable us to proceed with a possible review of marking we will need you to give your written consent, after receiving your results.

You will be informed of the outcome of a review of marking via email.

How to make payment:

Payment can be made at Reception for any fees due relating to Appeals. This form will need to be completed and included with payment.

In the event of any queries, please email examinations@cdcollege.uk
